

Vine Clip™ Clamping System

Product Features

Clamping system specially designed for hanging irrigation pipe or tubing to wire for use in overhead drip or microsprinkler applications.

Vine Clips

- Galvanized wire (2mm diameter wire)

Vine Clip Pliers

- Fast attachment of magazine-fed Vine Clips

Vine Clip Magazines

- Hold multiple Vine Clips per magazine

The Vine Clip System:

- Three times faster installation over traditional hose clamping systems. Saves on labor and materials.
- More reliable hold than other methods.
- Better Quality hold-allows for tubing dilation and contraction.
